

## CVS/Caremark SPECIALTY PHARMACY

Total Health Care's (THC) specialty medications are provided by CVS/Caremark Specialty Pharmacy which provides select Specialty drugs to THC members.

If a drug is provided through CVS/Caremark Specialty Pharmacy, the drug will be delivered via mail to the physician's office or member's home or office.

Specialty Pharmacy drugs require a prior authorization. The Specialty Prior Authorization Form must be completed and faxed to Caremark Connect at 1-800-323-2445. If you need to reach Specialty Pharmacy directly please call 1-800-237-2767.
